

The map displays the State Legislative District 26, which is outlined in a thick black line. The district is situated in the central part of Georgia, covering parts of Hancock, Baldwin, and Wilkes counties. Major roads, including US-42 and US-17, are shown as thick black lines. Water bodies, such as the Savannah River and various lakes, are depicted in blue. The map includes numerous labels for cities, towns, and smaller communities, as well as their respective zip codes. For example, Sandersville is labeled with zip code 66208, and Deepstep is labeled with 22108. The map also shows neighboring districts and counties, providing a comprehensive view of the district's location within the state.

Where international, state, county, and/or MCD boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

- 1 MCD boundaries are shown in the following states in which some or all MCDs function as general-purpose governmental units: Connecticut, Illinois, Indiana, Kansas, Maine, Massachusetts, Michigan, Minnesota, Missouri, Nebraska, New Hampshire, New Jersey, New York, North Dakota, Ohio, Pennsylvania, Rhode Island, South Dakota, Vermont, and Wisconsin. (Note that Illinois and Nebraska have some counties covered by nongovernmental precincts and Missouri has most counties covered by nongovernmental townships.)
- 2 Place label color corresponds to the place fill color.
